**Abstracts, Incorporated Employee Spotlight!**

## **John Granieri**

---

We are thrilled to introduce you to our "Employee Spotlight" series, where we shine a light on the incredible individuals who drive our success. At Abstracts, Incorporated, we believe that our greatest asset is our people. We want to take this opportunity to showcase the unique talents, dedication, and passion of our team members who make a significant impact on our business and the community.

Today we highlight John Granieri, whose exceptional skills and commitment to excellence exemplify the values we hold dear.

### **30 years and still going strong**

John Granieri has been with Abstracts Incorporated since 1994 and has been working hard in his role as Senior Vice President of Sales. He is responsible for company sales including maintaining and servicing existing accounts and increasing market share through new accounts. He has spent 30 years contributing significantly to enlarging Abstracts' Book of Business in both the Commercial and Residential Market.

When John's not meeting with attorneys or brokers, he's spending time with his wife, Rena, and their two lovely daughters. He also enjoys spending weekends playing golf, traveling with family, and takes interest in American and World history.

John believes the key to success is having the ability to be personable and strengthen existing relationships as well as easily making new ones. John is a great example of that success.

Thank you John for all your hard work!
